Hello, I'm _____ of AG Research, a national opinion research firm. We're conducting a public opinion poll, and would like to ask you a few questions on a confidential basis.

- Are you, or is any member of your household employed by a newspaper, a TV or radio station or by a political party or a campaign for political office?
0% Yes/Refused
100% No
- Are you registered to vote at this address? If you are not registered to vote, just say so.
100% Yes
0% No/All other responses
- How likely are you to vote in the election for U.S. Congress this year? Would you say you will:
85% Definitely vote
15% Very Likely to vote
- As you are aware, very few people actually vote in primary elections. How likely are you to vote in the 2022 primary election for U.S. Congress this year? Would you say you will...
19% Already voted
63% Definitely vote
18% Very Likely to vote
- In which primary are you most likely to vote, the Republican primary, or the Democrat primary? If you have already voted, in which primary did you vote?
100% Republican

I am going to read some names of people in the news. For each one, please tell me whether you have a favorable or unfavorable opinion of the person. If I name someone that you have no opinion of or have never heard of, just tell me and we'll go on to the next one.
