

Independent Women Supports the Confirmation of Daniel Driscoll as Secretary of the Army

January 20, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Daniel Driscoll to serve as Secretary of the Army. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

There is no question that Mr. Driscoll is incredibly qualified to serve as Secretary of the Army.

The combination of his experience as an Army Ranger deployed in support of Operation Iraqi Freedom and his business experience in the private sector uniquely qualifies Mr. Driscoll to serve in this role. He both understands the needs of America's soldiers and the complexities and business side of administration.

Independent Women is proud to support the nomination of such a qualified nominee to serve as Secretary of the Army. We urge senators to provide Daniel Driscoll with a fair and respectful hearing and to confirm him as Secretary of the Army.

Respectfully,
