

Independent Women Supports the Confirmation of Elise Stefanik as Ambassador to the United Nations

January 17, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Elise Stefanik to serve as Ambassador to the United Nations. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

There is no question that Ms. Stefanik is incredibly qualified to serve as UN ambassador.

As a congresswoman, Ms. Stefanik has been a strong advocate for combating the threats to our national security and will stand up for our nation's best interests at the United Nations. Independent Women has had the pleasure of partnering with Ms. Stefanik during her tenure as a congresswoman: She is consistently willing to listen, thoughtful, principled, and a smart and strategic advocate for her cause.

Independent Women is proud to support the nomination of such a qualified nominee to serve as UN Ambassador. We urge senators to provide Ms. Stefanik with a fair and respectful hearing and to confirm her as Ambassador to the United Nations.

Respectfully,
