

Independent Women Supports the Confirmation of Eric Scott Turner as Secretary of Housing and Urban Development

January 15, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Eric Scott Turner to serve as Secretary of Housing and Urban Development. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

There is no question that Mr. Turner is incredibly qualified to serve as Secretary of Housing and Urban Development.

Through his work with children living in poverty, Mr. Turner has a unique perspective on how to improve the lives of struggling Americans. He understands that there is a housing affordability crisis that must be met and addressed with innovative solutions. Independent Women has been urging policy leaders to make it easier to increase the housing supply with common sense reforms such as making it easier for homeowners to create accessory dwelling units within their homes. We look forward to working with Mr. Turner on measures like this which can help so many Americans by making housing more plentiful and affordable.

Independent Women is proud to support the nomination of such a qualified nominee to serve as Secretary of Housing and Urban Development. We urge senators to provide Eric Scott Turner with a fair and respectful hearing and to confirm him as Secretary of Housing and Urban Development.

Respectfully,
