

Independent Women Supports the Confirmation of Kash Patel as Director of the FBI

January 20, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Kash Patel to serve as Director of the FBI. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

There is no question that Mr. Patel is incredibly qualified to serve as Director of the FBI.

Mr. Patel's years of experience in key defense and intelligence roles during President Trump's first administration—coupled with his background as a public defender, DOJ prosecutor, and congressional investigator—have prepared him to refocus the FBI on its mission of protecting the American people.

Independent Women is proud to support the nomination of such a qualified nominee to serve as Director of the FBI. We urge senators to provide Kash Patel with a fair and respectful hearing and to confirm him as Director of the FBI.

Respectfully,
