

Independent Women Supports the Confirmation of Governor Kristi Noem as Secretary of Homeland Security

January 15, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Governor Kristi Noem to serve as Secretary of Homeland Security. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

America needs a strong advocate for reforms to protect the border and prioritize the safety and security of the American people.

As Governor of South Dakota, Governor Noem has shown her commitment to border security and defense. She has also championed cybersecurity and has helped transform her state into a leader in the field. As Secretary of Homeland Security, Governor Noem will bring this expertise and dedication to her role.

Independent Women is proud to support the nomination of such a qualified nominee to Secretary of Homeland Security. We urge senators to provide Kristi Noem with a fair and respectful hearing and to confirm her as Secretary of Homeland Security.

Respectfully,
