

## **Independent Women Supports the Confirmation of Linda McMahon as Secretary of Education**

January 23, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Linda McMahon to serve as Secretary of Education. President Trump deserves the team he wants in order to carry out the directive given to him by the American people.

There is no question that Mrs. McMahon is incredibly qualified to serve as Secretary of Education.

Mrs. McMahon has the experience of co-founding and leading a multibillion-dollar company to prepare her for the administration of a large department. This is coupled with education experience—both in the classroom as a student teacher and as someone who has championed school choice, sat on a state board of education, and served as a university trustee. Best of all, Mrs. McMahon is a champion of sending education funds to the states instead of wasting it in a large federal bureaucracy.

Independent Women is proud to support the nomination of such a qualified nominee to serve as Secretary of Education. We urge senators to provide Linda McMahon with a fair and respectful hearing and to confirm her as Secretary of Education.
