

Independent Women Supports the Confirmation of Scott Bessent as Secretary of the Treasury

January 15, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Scott Bessent to serve as Secretary of the Treasury. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

There is no question that Mr. Bessent is incredibly qualified to serve as Secretary of the Treasury.

Mr. Bessent has a strong background and extensive experience in the private sector and is committed to reducing the deficit and championing deregulation. Americans can feel confident that he will focus on restoring stability to the U.S. economy, addressing inflationary pressures, and encouraging a resurgence in American production and innovation, while working towards bringing down the surging U.S. debt.

Independent Women is proud to support the nomination of such a qualified nominee to serve as Secretary of the Treasury. We urge senators to provide Scott Bessent with a fair and respectful hearing and to confirm him as Secretary of the Treasury.

Respectfully,
