

Independent Women Supports the Confirmation of Sean Duffy as Secretary of Transportation

January 15, 2025

Dear Senators,

Independent Women, which advances policies that enhance opportunity and well-being, fully supports the confirmation of Sean Duffy to serve as Secretary of Transportation. President Trump deserves the team he wants so that he can carry out the directive given to him by the American people.

There is no question that Mr. Duffy is incredibly qualified to serve as Secretary of Transportation.

Through his experience as a Congressman, Mr. Duffy has worked with the local leaders and understands the needs of American businesses and citizens and how America must maintain and improve its transportation network. He will bring this commitment to serving the American public to this vital department.

Independent Women is proud to support the nomination of such a qualified nominee to serve as Secretary of Transportation. We urge senators to provide Sean Duffy with a fair and respectful hearing and to confirm him as Secretary of Transportation.

Respectfully,
