

Independent Women Supports The No Rogue Rulings Act of 2025

April 1, 2025

Dear Members of Congress,

Independent Women applauds the introduction of the No Rogue Rulings Act (NORRA of 2025) by Representative Darrell Issa. Independent Women fights for women and their loved ones by effectively expanding support for policy solutions that aren't just well-intended but actually enhance people's freedom, opportunities, and well-being.

Activist district court judges are ignoring the rule of law and making decisions based on their political ideology to thwart President Trump's agenda. NORRA limits the authority of single district court judges from dictating national policy and restores principles of federalism that have been lost with the politicization of the judiciary.

District Courts have become political battlegrounds where objective legal reasoning and strict adherence to legal precedent and constitutional principles are disregarded. Independent Women urges Congress to work toward the swift passage of this bill. Thank you, Representative Issa, for your leadership on this important issue.

Sincerely,
